Established in 1951, IOM is a Related Organization of the United Nations, and as the leading UN agency in the field of migration, works closely with governmental, intergovernmental and non-governmental partners. IOM is dedicated to promoting humane and orderly migration for the benefit of all. It does so by providing services and advice to governments and migrants.

IOM is committed to a diverse and inclusive environment. Internal and external candidates can apply for this Call for Applications.

Context:

Since 24 February 2022, a high flow of refugees and third-country nationals (TCNs) has entered Czechia as a result of the military operations in Ukraine. These mass movements of people fleeing the conflict in Ukraine to neighbouring and close countries, including Czechia, are set to quickly overwhelm the capacity of national and local administrations and communities to receive them. The need for support in relation to tracking the presence, needs and intentions of affected populations is paramount.

Under the direct supervision of the DTM Team Leader/Focal Point, the **Enumerator** will be responsible of the following activities, according to the procedures and training provided by IOM.

Core Functions / Responsibilities:

1. Identify reliable sources of information/key informants to collect relevant information on registration centers and accommodation facilities for people fleeing Ukraine.
2. Conduct DTM survey and (if requested) registration, in a designated geographical area, according to the operation planning led by the DTM Team Leader/Focal Point;

3. Collect GPS points of collective centers/displacement sites and infrastructures;
4. Assess the situation in collective centers and camp-like settings through direct observation and triangulate the information to facilitate its analysis;
5. Ensure of the quality of the information collected by systematically verify and correct the questionnaire/form at the end of the interview/registration;
6. Liaise with various humanitarian, governmental partners and the displaced community in the field;
7. Report on a daily basis on the activities conducted and the realities/issues encountered to the DTM Team Leader/Focal Point and make relevant recommendations;
8. Respect IOM's Data Protection Principles;
9. Perform other duties as they might be assigned.
